Your rental, run properly — *and priced in the open.*

TrueNorth is a local, broker-owned property management company serving Hernando County. We lease, manage, and maintain single-family rentals for owners who would rather not field the 9 p.m. phone call — with flat pricing you can read on this page, and no management fee while your property sits vacant.

What we do

- **Lease it** Market-informed pricing, listing, showings, and a screening process applied the same way to every applicant.
- **Run it** Rent collected online, maintenance triaged and documented with photos and invoices, inspections on a set cadence.
- **Report it** A monthly statement you can actually read, repairs approved by you above a threshold you set, and an answer within one business day.
